

PERSONAL LOGO: INITIALS TO SVG

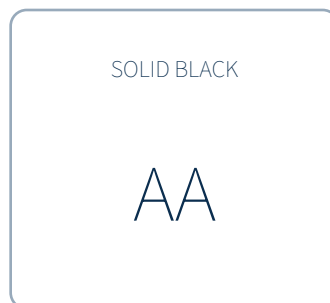

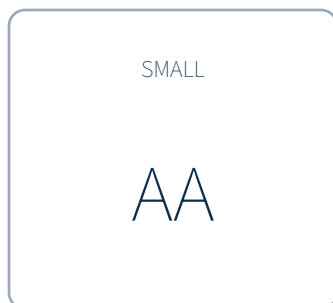

Sketch three different ideas. Choose the clearest shape, not the fanciest one.

1 Write your initials: _____

Three words it should feel like: _____

2 Circle one idea. Rebuild it in Photopea with black shapes first.

3 Final check

☐ recognizable at small size

☐ strong in one colour

☐ no tiny gaps or hairline strokes

☐ saved as PSD and SVG

PHOTOPEA: 1000 x 1000 px, transparent background

Type + shapes: keep an editable text copy, convert the working copy to a shape, then export SVG.
